Why is family re-entering Healthy Families? (Mark only one)

- Family moved away, but moved back to the service area and requested re-entry.
- Family requested re-entry after exiting by request or after Creative Outreach.
- Family transferred from another Healthy Families program *

* **If family is transferring from another Healthy Families program: before submitting this Re-Entry form, confirm the following. Please initial each step confirming it is complete.:**

_____ Confirm (via email or phone call) that the program originally exiting the family submitted an exit form to NPC (or for families who exited prior to January 1, 2018, the family was exited on the Excel spreadsheet submitted to NPC). If the family has not been exited, request the program submit an exit form.

_____ After exit is confirmed, contact ELD and ask that the family's CLARA data be moved (transferred) from the original exiting program to the new program the family is enrolling in.

_____ Once ELD has made the transfer, confirm that your program has access to the family's data in CLARA. Once you have access to the family's data, submit this form to NPC.
