WORK EXPERIENCE

**6/12–present NPC Research, Portland, OR
Researcher**
Responsibilities: Coordinates tasks within projects, or coordinates specialized projects (e.g., database development), working closely with the Project Director; manages project staff on task work; facilitates meetings; independently develops and manages simple databases; performs statistical analyses; contributes to report and grant writing.

**12/10–6/12 13th Judicial Circuit Court of Missouri, Columbia, MO
Reentry Court Administrator**
Responsibilities: Oversaw daily operations of a federal grant-funded reentry court program, operated within the local circuit court. Served integral role in the planning and implementation of new reentry court program, including the creation of a policy and procedures manual that is the basis for operation. Ensured agreements were made with stakeholders for resources and logistics of program operation. Monitored program activities to ensure compliance within local, state and federal regulations.

**10/08–12/10 Office of State Courts Administrator, Jefferson City, MO
Treatment Courts Specialist**
Responsibilities: Provided technical and administrative assistance to 100+ “drug court” programs across the state of Missouri to ensure more efficient and effective operation. Monitored programs at the state level by regularly performing site visits to the courts and verifying compliance to guidelines outlined by Missouri’s judicial governing body. Composed strategy recommendations for \$5.1 million of state money to be allocated to treatment courts every fiscal year. Conducted evaluation of courts’ processes by providing written and oral feedback regarding performance and effectiveness of program.

- 7/07–10/08** **Office of State Courts Administrator, Jefferson City, MO**
Research Analyst
Responsibilities: Operated within statewide databases to collect, compile, evaluate, and analyze data on state drug court participation. Databases included two different systems that included information from 45 jurisdictions across the state. Used report-writing software to create specific reports in order to extract statistical and descriptive information from statewide databases.
- 5/07–6/07** **University of Missouri-Columbia, MO**
Performance Assessment Scoring Center (PASC) Grader
Responsibilities: Scored writing and open-ended assessments in reading, math, science, and social studies online. This included written essays, short-answer responses, and extended responses. The scoring process had to adhere to project-specific scoring parameters at all times.
- 1/07–5/07** **Audrain County Prosecuting Attorney’s Office, Mexico, MO**
Victims’ Advocate
Responsibilities: Assisted victims of crime in the criminal court setting. Informed victims of their legal rights, kept them aware of case statuses, assisted with application for Crime Victims’ Compensation, and scheduled meetings with prosecutors as needed. Accompanied victims to court to help explain proceedings.
- 5/06–12/06** **Pathways, Community Behavioral Healthcare, Columbia, MO**
